| 6th, or thereafter | \$70* each when shot in the same photo session |

Pickup and delivery of bottles for photography \$20 (barossa region only)  
Lighting setup fee **\$45** per session. For date removal add \$15 per photo.

\*For foiled labels an extra charge of \$25 per bottle applies, this is for the extra time required to combine alternate lit bottles/labels to have the foil on bottles to show as intended, these can take several hours to correct.

Supplied on CD \$15

Emailed to an account or Dropbox Acc. \$10 (INC. up to 3 destinations when sent at the time.)

please ensure the destination email address can handle large files, as a charge will still apply if it is undeliverable due to the destination email box having a restricted size. Drop Box Account if unsure.

### What you get...

You get all files colour corrected to supplied labels/bottles, all clipping paths are hand/visually contoured. Thumbnail proof sheet supplied as a separate file. All minor visual imperfections are corrected. When supplying bottles for photography, please ensure there are no obvious visual defects as these can add to the cost of the base photography charges, if major corrections are required in photoshop.

Photos supplied in high resolution RGB .jpg and .png format, .png files have a transparent background.

Please Allow up 3-7 working days for your photography, depending on clients already booked for sessions. For Fast 2 day service there is a 45% loading on the final total charged amount. (limit up to 3 bottles for fast service).
